Welcome to STAMPIN' UP!

Dear friends,

I met a nice, young woman recently—in her 30s, very career-oriented. When she learned about my connection to Stampin' Up!, the first thing she said was: "I'm not creative." I smiled because I've heard that before. Thousands of times.

I've also seen it. Sometimes guests arrive at Stampin' Up! gatherings with expressions that seem to say: "I can't do this." Notice the pattern? "I'm not." "I can't." Yet by the end of the party, they are chatting, laughing, and having a great time. What inspires the change?

Given the chance, I think everyone can move from "I can't" to "I can." Occasionally all that's needed is time spent around creative people—at a Stampin' Up! gathering, for instance. Mentors (like a demonstrator) can be invaluable, as can products that are designed to encourage creativity.

However long you've been crafting, I think you'll find something that's right for you within the pages of this catalog—something that will help you say "I am a creative person." Enjoy the journey!

Color

COORDINATION

Find the ideal color in a variety of products from ink and paper to trims, embellishments, and beyond. Color palettes are marked throughout the catalog to help inspire you.

Punches

You can make quick and easy accent pieces and layers using punches with their coordinating stamped images. For a complete list of punches, see p. 165-169.

Dies

Bring that "wow" factor to your crafts by adding dimension with dies. Use them to create accent pieces or cut out stamped images. For a complete list of dies, see p. 173-183.

- Create multiple projects with ease.
- Build quick patterns and scenes.

If you like this technique, look for stamp sets marked with Hinge-Step in the description.
